

FERPA Block Form

In accordance with FERPA regulations, HSU does maintain student directories and other lists. You can elect to have your name removed from these lists by sending written notification to the Office of the Registrar at HSU.

I, _____, am currently or have been a student at the Humane Society University.

I do not want any of my directory information to be released by HSU. I understand that by signing this form my name will not appear in the HSU Directory, Dean's Lists, and Commencement Lists. I also understand that this block will be in effect until I send written notification to HSU to release the Block.
